in <https://www.linkedin.com/in/sarvagya-chaudhary-19471755/>
github <https://github.com/sarvagya-chaudhary>

PROJECTS

Spotolet-V1

- A web app where we can find or even rent room/home.
- Made use of Mapbox-GL for map, Bcrypt for authentication, React Hooks and CSS for styling buttons and forms.
- <https://github.com/sarvagya-chaudhary/spotolet-v1>
- Tech - Built on MERN Stack, Mapbox-GL, Bcrypt, React Hooks, CSS

Password Manager

- Implementation of a multi-user CLI based password manager (also includes options like CSV export of passwords, password generator password strength checker)
- <https://github.com/sarvagya-chaudhary/pwd-master>
- Tech - Python, PostgreSQL, Bcrypt (For hashing passwords)

Wild Plant Detection BOT Using ML

- Developed a wild plant detection BOT which detects the plant and tell us weather the plant is rotten or fresh.
- Tool - Python, Computation Neural Network(CNN), Keras, Pandas

Screen Time Analysis using Python

- Screen Time Analysis lets you know how much time you spend on what kind of applications and websites using your device. And screen time analysis gives a visual report of the same
- Tech - Python, Pandas, Dataset

Developed a Professional Portfolio.

- Worked on a portfolio of a faculty.
- <https://sarvagya-chaudhary.github.io/drs/>
- Tech - HTML, CSS, Bootstrap

My Personal Portfolio

- applied my creative skills to create my personal portfolio
- <https://sarvagya-chaudhary.github.io/portfolio/>
- Tech - HTML, CSS, JS

EDUCATION

B.E in Civil Engineering

7.25 CGPA

2019-2023

DSCE, Bengaluru

Senior Secondary (12th)

55%

2018

Kendriya Vidyalaya

High School (10th)

9 CGPA

2015

Kendriya Vidyalaya

TECHNICAL SKILLS

JAVA Python JAVASCRIPT
HTML5 CSS and Sass React.JS
Node.JS (Basic) Express.js Git
MongoDB MySQL PostgreSQL
Data Structures algorithm OOPs
DBMS

SOFT SKILLS

Attention to details
Creative Thinking Team Work
Communication Easily adaptable
Persistent Problem Solver

CERTIFICATIONS

- Triplebyte Engineering Certificate (Front-end, General Coding Logic, PROFICIENT React)
- Web Development BootCamp (Udemy)
- Complete JAVASCRIPT Course 2022 (Udemy)
- Project Planning Control (NPTEL)

ACHIEVEMENTS

National Sports Meet - Chess

- Secured 2nd place at K.V.S National Sports Meet - Chess, KV IIT Kanpur

Participated in Inter Department Project Exhibition

- Made a wild crop detection BOT using python and computational neural network and secured 2nd place in my 1st year at DSCE, Bengaluru

INTERNSHIP

Research Intern at IIT - DELHI

- Designed a professional portfolio with more than 12 pages and 2 navbars from scratch, using HTML, CSS, Javascript

HOBBIES

Cricket Chess Reading Cooking
